Dear Parents and Carers,

I cannot quite believe that we have reached the end of the Autumn term already – it seems like only last week we came back from the summer holidays! We have achieved so much this term and it is great to be able to go back to offering our enrichment opportunities again. Our children have done us so proud this term and have been nothing short of amazing! They are kind, resilient and love their learning. There is a celebration of all they have achieved below. I'd just like to thank all of our staff here at Team Ayrton; they have worked incredibly hard this term not only dealing with the constraints and challenges of COVID, planning and creating provision which engages and motivates children to learn. Lastly, a big thank you to you all for your support; I know at times it has been a challenge with COVID and having to isolate your child if positive, but we really do understand and appreciate your patience with it.

End of term arrangements

On Friday there will be 'Guess the name of the bear', 'Guess how many sweets in the jar' and a cake raffle. It is 50p per entrance.

Nursery Feedback

Thank you for all of you how have completed any returned the nursery feedback forms that have recently been sent out – if you haven't sent this back, please do so by the end of term.

Uniform – preschool only

Our uniform is an important part of being in the Ayrton community. Please note the following:

- Trainers of any colour are not part of the school uniform. If there is a medical reason for why your child needs to wear them, please speak to your child's class teacher. Children should be in close toe black shoes.
- Children in preschool can wear a white polo t-shirt
- All children are to wear grey trousers, shorts, skirts, or pinafore dress.

If you are unsure what the uniform requirement is for your child, please contact the Office who can help you; Or if you are struggling for any reason with uniform, please see your child's teacher or phase leader, who will be able to help you.

Aspirations Week

On Monday 17th January, we are joining in with Portsmouth City Council's 'Aspirations Week'. The children will meet several people from a variety of careers, via Zoom, and find out a bit more about further education and the types of careers that there are out there. On the Friday of that week, we are having a dress up day for children to 'come as their future self' – we are excited to see what they want to be when they're older!

Ark Ayrton Nursery

New Menu

A reminder that we have a new menu for the Spring term, and this can be found on our website. A tea menu will follow shortly.

As always, if you need to speak to one of us, please speak to us on the gates, or phone the Office for an appointment.

From all of us here at Team Ayrton, we wish you a very relaxing Christmas break and a happy and healthy New Year. We will see you all for the start of the Spring term on Wednesday 5th January.

With best wishes,

Julie Ayrton
